

ADVISORY FOR VISITORS

25TH MARCH 2021

**PCR
TEST**
FOR
COVID-19

1. Seychelles allows entry to all countries. For the time being this excludes South Africa.

2. All visitors incl. infants and children must have a negative PCR test certificate from an accredited laboratory, taken 72hrs before departure.

3. Accommodation bookings must be made at licensed and certified establishments or liveaboard only. Visit www.tourism.gov.sc

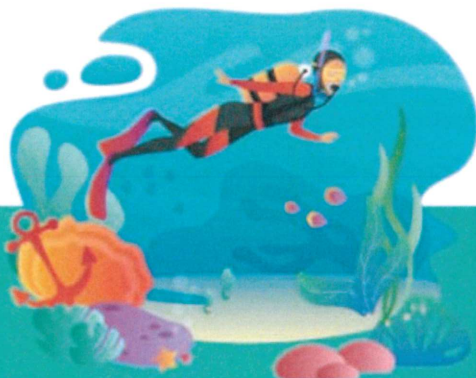

4. Visitor must apply for the health travel authorisation for entry through the platform: <https://seychelles.govtas.com/>. Application must include; booking vouchers for the entire stay in the destination, flight itinerary and PCR test certificate. Visitors must also ensure they have valid travel insurance with full medical coverage including COVID-19-related medical care for their entire stay.

5. Visitors are free to move around the islands, in strict adherence to applicable health measures i.e. wearing face masks in public and social distancing.

6. Visitors wishing to take part in recreational activities such as tours, excursions, sightseeing etc must use licensed and certified service providers. For moving around visitors are discouraged from using public buses.
